Pre-construction pricing for upgrades

Prices are pre-construction pricing and are guaranteed as of your binding agreement date. Items marked Price on request are quoted for your lot. Every upgrade is approved by you before it is added to your contract. Some items must be chosen before a construction stage, shown under Choose by.

Prices are subject to change at any time prior to a binding contract. Information deemed accurate but not warranted and subject to errors and omissions. Changes requested after the binding agreement may vary in price.
